

Figure 1: fig:before

Figure 1.

I'm trying to reference Figure 2, subfigure 2a and 2b as well as 2c here.

---

(a) Scatter plot fitted with straight line

(b) Scatter plot fitted with 2nd degree polynomial

---

(c) Scatter plot fitted with 3rd degree polynomial

Figure 2: Scatteru plots of wavelength vs. pixel position for the spectrum from night 1, fitted with polynomials of orders 1-3.
